

# SensiFire

**SensiFire Natural Flavours trigger happy and flavourful memories of joy,**

friendship, celebration, togetherness and sharing. Provide the warm and indulgent flavour of fire and distinctive smoky notes that transport us to those special moments.

SensiFire is the response to the consumers' desires for new cuisines, transparency, and healthy alternatives in food and drinks and brings the sophistication and uniqueness of the smokey flavours to your palate.

**SENSIENT®**

### NATURAL SMOKE-TYPE FLAVOUR

A tenacious smoky profile with strong ash notes, balanced with fruity top notes and woody undertones.

### NATURAL HICKORY-TYPE FLAVOUR

Woody, earthy, mildly fruity profile reminiscent of Hickory.

### NATURAL MESQUITE-TYPE FLAVOUR

Texas-style BBQ flavour with savoury umami notes and sweet, meaty, bacon, undertones.

### NATURAL OAK-TYPE FLAVOUR

Sweet, woody style flavour with mild burnt, nutty notes and fruity nuances.
